© Centres strongly supporting Education systems and infrastructure leading to all encompassing development of under privileged students, helping them to soar high in the sky of knowledge , thereby substantially equipping them to be established in life and perform utmost in their own field all around the globe.

© Shelters for abandoned senior citizens

© Empowerment of under privileged women through education and training centres as per their acumen.

## OUR PROJECTS

We have persistently adopted an underprivileged private primary school in the year 2022 in a remote village of kultali in Sundarban district of South 24 parganas in West Bengal. Since then our diligence and industriousness has led to sustainable constructive developments of the school. Infrastructure, quality of teaching, learning , providing support for health of students and other developing factors and facilities meted out to students has increased the student strength to more than 90. We also support the school with the salary of 4 teachers and 1 supporting staff, who work with utmost dedication for the holistic empowerment of the students..

Khola Haowa also took a further initiative to provide free tuition class for pass out students from this primary school.
